

Mini Company requirement management System

Dashboard

A screenshot of a web browser displaying the 'CREATE COMPANY COMPONENT' form. The browser's address bar shows 'localhost:3001/create-company'. The form is centered on a light orange background. It consists of a white rounded rectangle containing three input fields: 'Company Name', 'Industry', and 'Description'. Below these fields is a blue button labeled 'Add Company'.

Create Company form

Sign in localhost:3000/create-company

CREATE COMPANY COMPONENT

Company Name

Industry

Description

Please fill out this field.

Add Company

Mongo DB connection

The screenshot shows the MongoDB Compass application interface. The title bar indicates the connection is to 'localhost:27017/mini-crm.companies'. The left sidebar shows the 'CONNECTIONS' list with 'localhost:27017' selected, and a tree view of databases including 'admin', 'config', 'connection', 'local', 'mini-crm', and 'companies'. The main panel displays the 'companies' collection with four documents. The top document is for 'ReqMaster Inc.', a software development company. The other three documents are for 'Specify Solutions', 'Clarity Requirements Group', and 'Visionary Specs', all in the 'Engineering' industry. The interface includes a query bar with a placeholder query, buttons for 'ADD DATA', 'EXPORT DATA', 'UPDATE', and 'DELETE', and a document list showing 25 documents (1-4 of 4 visible).
